1	Questions 6-8 do not apply to me but I had to give a response.	6/4/2014 2:20 PM
2	sometimes Read 180	6/3/2014 3:20 PM
3	Software - only web-based, so if it does not work, it is usually due to Internet issues. The majority of my problems are all Internet Connection based or Printer.	6/3/2014 1:47 PM
4	I frequently have problems with the laptop carts - Anna and Belle. Students have difficulty connecting to the internet, logging on to their server space, and overall time issues for running simple programs.	6/3/2014 1:10 PM
5	Pat is very good at coming as soon as she can. She is very helpful.	5/26/2014 9:21 AM
6	READ 180	5/20/2014 1:29 PM
7	It's hard to keep the 8 desktops in our science lab stations running. I've also had several projection problems this year, but Rich Wirz explained the problem with that. Looking to upgrade!	5/20/2014 11:19 AM
8	Student computers in the room have had sporadic access to the Cesa Rosetta Stone throughout the year.	5/20/2014 11:03 AM
9	The tech-ed department could use a new computer in the office. The one we have goes out often and is approximately as old as Bruce.	5/20/2014 8:02 AM
10	There have been issues with the Chromebooks, especially with connecting or having a very slow connection. The desktop issues are most likely because the computers are so old.	5/19/2014 4:31 PM
11	Gaggle	5/19/2014 3:36 PM
12	Classroom computers are often very behind on technology updates (different version of MS Word, for example).	5/19/2014 3:24 PM

Q11 Were summer technology support day(s) offered in August 2013 worth your time?

#	Responses	Date
1	Thanks to the team for all they do!	6/5/2014 4:28 PM
2	I have always been helped promptly when an issue has come up. Thank You!!!!	6/4/2014 2:20 PM
3	I am very impressed with how fast Pat/Kristi help with computer issues.	6/4/2014 9:02 AM
4	None.	6/3/2014 3:06 PM
5	It would be beneficial to my students to have icons for Reading Eggs and Starfall. This would help them be more independent in the computer labs.	6/3/2014 3:02 PM
6	I am very pleased with our tech support. I have worked very closely with Pat . .and she has been wonderful!!! Kristi has also been very swift in answering my questions and fixing any problems. I could not ask for more knowledgeable and caring technology staff. Thank You!!!	6/3/2014 1:52 PM
7	When you make this survey, can you have an option at the top for "split staff" between buildings? I split my time almost half and half between two buildings....also thank you for your awesome tech support! All of my tech problems get solved in a timely manner - thank you for all that you do!!!!!!	6/3/2014 1:12 PM
8	You guys are great!	5/28/2014 9:19 AM
9	Please continue to offer tech support during the summer, as I find it invaluable in helping me be 'up and running' at the start of the school year!	5/26/2014 4:03 PM
10	The printer in the fifth-grade hallway needs to be replaced.	5/20/2014 12:31 PM
11	Will want a review next year come budget time to aid in remember the process.	5/20/2014 12:15 PM
12	Raz-Kids doesn't ALWAYS allow students to read books on the iPads. Sometimes it's barred. I'm not sure why.	5/20/2014 11:03 AM
13	Thank you tech support people - every time I have a problem, you come down as soon as possible and you've always helped me resolve issues. Thank you for all you do - your hard work is appreciated!	5/19/2014 5:22 PM
14	I hope the technology infrastructure will be supercharged to support all the Chromebooks.	5/19/2014 4:31 PM
15	Cathy does a great job of providing help. If she can't solve the issue then Dennis is contacted.	5/19/2014 4:08 PM
16	Overall, tech support is readily available and I get my concerns addressed quickly and efficiently.	5/19/2014 3:47 PM
17	I need more access to working computers, I only have 4 that work normally and limited availability to go elsewhere.	5/19/2014 3:32 PM

Q14 I would like to learn more about the following technology-related topics. Check all that apply.
